Serkan Küçük

Mechanical Engineering Student
Location: İzmir, Türkiye
Phone: +90 539 362 08 79
Email: serkankucuk1161@gmail.com

SUMMARY

Mechanical engineering student at Yaşar University with practical proficiency in Fusion 360 and AutoCAD, and a strong foundation in manufacturing processes, materials science, and mechanical design. Analytical and detail-oriented, with strong communication skills and a methodical approach to problem solving.

EDUCATION

Bachelor of Science in Mechanical Engineering
Yaşar University, İzmir, Türkiye | 2020 – Present

High School Diploma
Buca Anatolian High School, İzmir, Türkiye | 2016 – 2020

SKILLS

- **CAD and Design:** Fusion 360, AutoCAD, 3D Modelling, Machine Design
- **Analysis and Software:** MATLAB, Microsoft Excel
- **Engineering Knowledge:** Manufacturing Processes, Material Science, Mechanical Design
- **Professional Skills:** Analytical Thinking, Problem Solving, Communication, Persuasion and Debating, Time Management

LANGUAGES

- Turkish: Native
- English: C1 (Advanced)
- German: A2 (Elementary)
- Greek: A1 (Beginner)
